- A. Use steering codes for CDP calls that are the same as the assigned NARS Access Cades.
- B. Use steering codes for CDP calls that are distinct from those assigned NARS Access Cades.
- C. You can integrate CDP numbers with the NARS Uniform Dialing Plan (UDP).
- D. You cannot share Route Lists, Digit Manipulation tables and Time-of-Day schedule with NARS.

**ANSWER: B C**

### QUESTION NO: 4

A customer would like to simplify their network administration by migrating existing Communication Server (CS) 1000 RIs. 7 x system in multiple locations into a single centrally deployed CS 1000 system. They want this change to be transparent to the end users so that can continue to use the same dial plan and features currently in place.

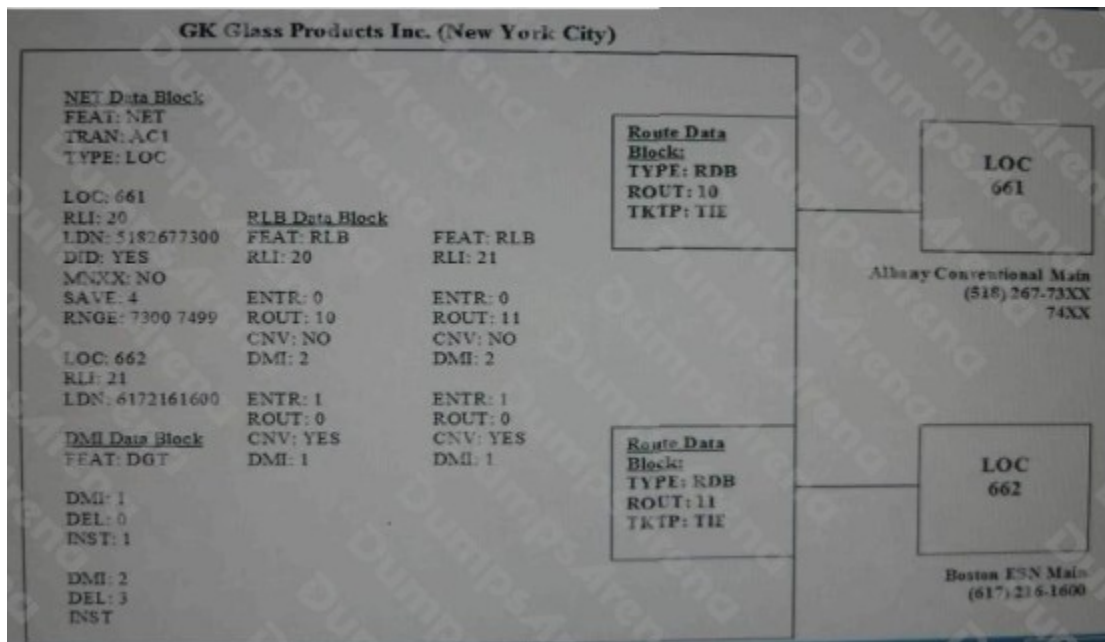

Which feature can you implement to meet the customer's requirements?

- A. Hybrid Dialing
- B. Uniform Dialing
- C. Zone Based Dialing
- D. Coordinated Dialing

**ANSWER: B**

### QUESTION NO: 5

Click the Exhibit button.

Given a company's dialing plan shown in the exhibit, if a station user at the company in the New York City is attempting to place a call to Albany and the station dial AC1+661+7449, what will happen to the call?

- A. The call will terminate at the Boston location at extension 7449.
- B. The call will not complete and the user will receive the interface treatment as defined in the Customer Data Block (CDB) for that customer.
- C. The call will terminate at the Albany location at extension 7449.
- D. The call will terminate at the LDN of 518-267-7300 over Route 10

**ANSWER: C**

**QUESTION NO: 6**

A customer has deployed a Communication Server 1000 RIs. 7 x system at their site. Their sales department is expanding and you have been asked to add Ave new telephones with the same capabilities as the existing telephones in the department.

Which programming command should you use to complete this task?

- A. Move to DN
- B. Move from TN
- C. Copy from DN
- D. Copy from TN

**ANSWER: D**

**QUESTION NO: 7**

You are responsible for maintaining the Communication Server (CS) 1000E release 7 x system installed at your customer's district office. They would like to use Corporate

Directory Feature are accurate? (Choose two)
